“THY KINGDOM COME”

A KINGDOM OF JUSTICE, PEACE AND JOY

A Campaign of Prayer for the success of
the Nuclear Weapons Ban Treaty negotiations,
taking place at the United Nations in New York in
March and June, 2017

Join us in this response to a call from the World
Council of Churches to Christians of the world to
pray and meditate on The Lord’s Prayer,
particularly in the days leading to Pentecost.

IN LENT

“Forgive us our trespasses, as we forgive those who trespass against us.”

We ask forgiveness for our nation’s policy of nuclear deterrence, our reliance on weapons for our security and our neglect of the poor, by squandering resources on these weapons.

We ask forgiveness also for the failure to respond to international calls for disarmament and particularly this year, in unwillingness to engage with the Nuclear Weapons Ban Treaty negotiations at the United Nations.

In sorrow, we pray, “Our Father...”

AT EASTER

“Hallowed be Thy Name.”

We praise and thank You and rejoice in the beauty of Your creation, the potential of every human being and the love that surrounds us. In hope we pray for a successful outcome of the Nuclear Weapons Ban Treaty negotiations so that ultimately, earthly creation will not continue to be threatened by nuclear weapons.

In the joy and hope of the resurrection, we pray, “Our Father...”

AT PENTECOST

“Thy Kingdom Come; Thy Will be done”.

In praying that our nation may see and follow the way of true peace and trusting in you sufficiently to follow the nations of the earth towards disarmament, we open our hearts to the Holy Spirit so that we may be shown the way forward and strengthened in our resolve and actions.

In confidence, we pray, “Our Father...”

A special Prayer Diary of prayers for peace, to coincide with the final week of the World Council of Churches’ “Thy Kingdom Come” campaign will be available in May from the Christian Campaign for Nuclear Disarmament.

Use these prayers whichever way is right for you.
