

**Tie your dove and messages of peace to the fence at Aldermaston!**

Cut around the dove (you can include the olive branch if you wish by cutting a half inch extra around the shape). Or if you have another dove shape, feel free to use that.

Stick the dove to a piece of card and cut the shape again. Alternatively, use your cut out shape as a template. You can just use paper if you can't get hold of any card, but it will last longer if you use card!

Write your message(s) on the back (works best on white card!). Make a hole for fastening a piece of string or ribbon.

Bring to Aldermaston on Easter Sunday. Or, if you cannot come, send it in to the CCND office as soon as you can and we will take it and attach it to the fence.

Look out for photos of the doves on the websites: <http://christiancnd.org.uk> and <http://www.cnduk.org> or on social media!
